December 18th 2015

Dear Members,

On behalf of everyone here at Penrith & District Red Squirrel Group (P&DRSG), I write to inform you that we are in the process of making various changes as the group evolves and to help ensure that we are fit for purpose and in a good state to meet the considerable challenges ahead. This has included an alteration of our registered office which is now at the address above. In addition, the Trustees have agreed that the time had come for a change to our membership rates which have not been altered or increased for some years.

We have agreed that Individual membership should be set at £20 per year and Family membership at £30 per year. This will commence from 1st February 2016 and as always leaves the option for you to include a donation in addition to your membership fee.

Membership fees can be made by Annual or Quarterly Standing Order or by cash or cheque, again leaving the option to include any donations in addition to membership fees.

If paying by cash or cheque (payable to Penrith & District Red Squirrel Group please) - please send to the P&DRSG Administrator at the above office.

If you pay by standing order, we hope that any amendment required to your current standing order with your bank will not be too onerous.

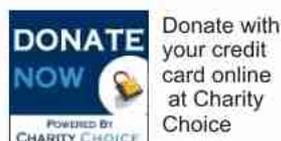

Your generous and continuing financial support is vital. It helps us enormously in our charitable conservation work, not only to actively protect the red squirrel population in our area but also to promote the preservation of these enchanting creatures to the wider public.

Please do not hesitate to contact me should you require any further information about our work or indeed if you have any thoughts or ideas that you feel may further assist us.

With best wishes and many thanks for your support.

Yours sincerely

Robert Benson
P&DRSG Chairman
